P&C
Thank you to Dunja & Jesse Thamm, Belinda & Taylah Makejev, Steven, Rhonda & Madeleine Barrett, Racheal Newton, Todd, Joshua and Wendy Weston for giving up their Sunday to help out at the Bunnings BBQ in Lismore. Money raised goes towards helping to fund excursions. Many thanks to Cindy Chivers and her family for cutting up the onions. Your contributions are greatly appreciated by this small school.

The P&C Fireworks Spectacular is fast approaching. Once again we are asking if each family could please donate a prize suitable for the chocolate wheel. We will also need power cords, crock pots, lights, cooking utensils, T-towels – all labelled – to help us with setting everything up on Saturday morning. Please if you can spare and hour or two, come down to the showground and help set up. We also need help on Sunday morning with the clean-up. Please remember this is our major fundraising event for the year so please help us so we can help your children.

Little Room News
Reading Eggs
Please continue with our Reading Eggs program a few times per week. All students are working at their ability level and now require an adult or supervisor to assist them with each lesson.

Mr Gray
Mr Gray is hoping to be back at school by the end of week 7. I am aware of the changes this term and thank everyone for their patience and understanding during this time.

Parent/Teacher Interviews
Interviews will be held later this term. This year we will be contacting all parents and caregivers to arrange a suitable time for a meeting. We would like to discuss students’ progress prior to the reports been sent out and after to discuss in more detail.

Spelling – Look, Cover, Write, Check
All students are given a range of different spelling revision sheets for variety purposes only. Please continue to complete these each week.

CWA International Night - Italy
On Friday 19th June (7pm) we will be having this year’s International Night. This year students K-6 will be completing a poster about the country and reading a section of their information on the night. All students will be participating in a short performance on the night to go with the Italy theme. Please invite anyone interested and we look forward to having a great night. The CWA will be providing supper on the night.

Parent/Teacher Interviews continued ……
Parent/Teacher interviews give you a great opportunity to:
- learn more about your child’s academic, emotional and social development
- help your child’s teacher to know more about your child
- make plans with the teacher about how you can both support your child
- build a relationship with your child’s school
